A drop in the ocean

Ron Pope

```
  Em            C
A drop in the ocean,
  G               D
A change in the weather,
       Em             C                  G
I was praying that you and me might end up together.
            Em            C           G
It's like wishing for rain as I stand in the desert,
         Em            C            G
But I'm holding you closer than most,
        D            C
'Cause you are my heaven.

         C                 G
I don't wanna waste the weekend,
    D                     Em
If you don't love me, pretend
  C              G             D
A few more hours, then it's time to go.
       C                       G
As my train rolls down the East coast,
  D                    Em
I wonder how you'll keep warm.
      C            G         D
It's too late to cry, too broken to move on.

Am           G   D
Still I can't let you be,
Am           G   D
Most nights I hardly sleep.
Am           G   D                  C
Don't take what you don't need from me.

A drop in the ocean…

Misplaced trust and old friends,
Never counting regrets,
By the grace of God, I do not rest at all.
New England as the leaves change
The last excuse that I'll claim
I was a boy who loved a woman like a little girl.

Still I can't let you be,
Most nights I hardly sleep.
Don't take what you don't need from me.

A drop in the ocean…

Am                G           D
Heaven doesn't seem far away anymore.
Am                G           D
Heaven doesn't seem far away.
Am                G           D
Heaven doesn't seem far away anymore.
Am                G           D
Heaven doesn't seem far away.

A drop in the ocean…
