If I were a boy

Beyoncé

```
             Em   C   G
If I were a boy
     D          Em   C   G
Even just for a day
D                Em         C
I'd roll out of bed in the morning
      G              D         Em   C   G
And throw on what I wanted and go
      D              Em    C    G
Drink beer with the guys
     D          Em    C    G    D
And chase after girls
         Em             C
I'd kick it with who I wanted
         G            D
And I'd never get confronted for it
Em             C            G
Because they'd stick up for me

   D        Em    C    G
If I were a boy
                D         Em    C    G    D
I think that I could understand
        Em             C
how it feels to love a girl
   G              D         Em    C    G    D
I swear I'd be a better man
               Em    C    G    D
I'd listen to her
              D      Em    C    G    D
cause I know how it hurts
          Em               C
when you lose the one you wanted
            G              D
cause he's taken you for granted
     C                          Em
and everything you had got destroyed!

If I were a boy
I would turn off my phone
Tell everyone that its broken
so they think
that I was sleeping alone
I'd put myself first
and make the rules as I go
cause I know that she'll be faithful
waiting for me to come home ( to come home)

If I were a boy …

Am     C           G       D           Am
It's a little too late for you to come back
         C         Em
Say it's just a mistake
           D              Am
Think I forgive you like that
        C               Em        D
If you thought I would wait for you
    C
You thought wrong

But your just a boy
You don't understand (and you don't understand)
How it feels to love a girl
Someday you'll wish you were a better man
You don't listen to her
You don't care how it hurts
Until you lose the one you wanted
Cause you taken her for granted
And everything that you had got destroyed
But your just a boy…
