One Direction

I got a heart and I got a soul
Believe me I will use them both
We made a start
Be it a false one, I know
Baby, I don't want to feel alone

So kiss me where I lay down, my hands press to your cheeks
A long way from the playground

I have loved you since we were 18 (18,18)
Long before we both thought the same thing (same thing)
To be loved, to be in love
All I can do is say that these arms were made for holding you, oho-oho
I wanna love like you made me feel
When we were 18

We took a chance
God knows we tried
Yet all along, I knew we'd be fine
So pour me a drink, oh love
Let's split the night wide open and we'll see everything we can
Live in love and slow motion, motion, motion

So kiss me where I lay down, my hands press to your cheeks
A long way from the playground

I have loved you since we were 18...

So kiss me where I lay down, my hands press to your cheeks
A long way from the playground

I have loved you since we were 18...
