Calm after the storm

The Common Linnets
(Nederländerna Eurovision 2014)

```
G
Driving in a fast lane
         Em
Counting mile marker signs
    C
The empty seat beside me
     G
Keeps you on my mind
G
Living in a heartache
           Em
Was never something I pursued
C
I can't keep on chasing
    G
What I can be for you

G                          Em
Ooooh skies are black and blue
               C
Thinking about you
             G
Here in the calm after the storm

Tears on a highway
Water in my eyes
This rain ain't gonna change us
So what's the use to cry
I can say I'm sorry
But I don't wanna lie
I just wanna know if staying
Is better than goodbye

Ooooh skies are black and blue
Thinking about you
Here in the calm after the storm
Ooooh after all that we've been through
There ain't nothin' new
Here in the calm after the storm

Maybe I can find you
Down this broken line
Maybe you can find me
I guess we'll know in time

G                          Em
Ooooh skies are black and blue
               C
Thinking about you
             G
Here in the calm after the storm
                    C
There ain't nothin new
             G
Here in the calm after the storm
```
