

# A million voices

Polina Gagrina  
(Ryssland ESC 2015)

G  
We are the worlds people  
Different yet we're the same,  
We believe,  
D C G  
We believe in a dream.

G D  
Praying for peace and healing,  
C  
I hope we can start again,  
D Em  
We believe,  
D C D  
We believe in a dream.

Am G  
So if you ever feel love is fading  
C D Em  
Together like the stars in the sky,  
D  
We can sing,  
C  
We can shine.

G D  
When you hear our voices call  
C D  
You won't be lonely anymore.  
Em D  
Oh-oh-oh,  
C D  
A million voices.

G D  
Your heart is like a beating drum  
C D  
Burning brighter than the sun,  
Em D  
Oh-oh,  
C D  
A million voices.

Now as the world is listening  
From cities and satellites  
We believe,  
We believe in a dream.

If you ever feel love is fading..

When you hear our voices call...

Em C  
When I look around at these faces  
Bb G Am  
I can see the stars in the sky,  
G  
We will sing,  
C D  
We will shine

G  
When you hear our voices call  
You won't be lonely anymore.  
Em D  
Oh-oh-oh,  
C D  
A million voices.

G  
Singing out,  
Singing out,  
D  
Ooh.  
C  
Singing out,  
Singing out,  
D  
Ooh.  
Em D  
Singing out  
C D  
A million voices.

Singing out, Singing out...
