

As I lay me down

Wiktoría

C
Oh man I'm a loner
F C
A night time roamer
F C G
emptiness haunts me and that's how I know
C F C
I am a brokenhearted soul
F C G
and I've hit rock bottom so where do I go?

F Em Am
All I need is for your love to save me
F Em Am
Begging please, I think I'm going crazy
F Em Am G
All I know is that I'm losing my grip

C
As I lay me down to sleep
G
I wish that you were here with me
Am F
Cause I need some help to save me from myself
C G Em Am
And I know I shouldn't think about you but I do
F
All the time
C G
My oh my
Am F
My oh my

Oh man I'm a stumbler
A straight-A rumbler
Looking for trouble wherever I go
And night time is calling
My judgement is falling
And I won't give up til the sun comes up

F Em Am G
All I know is that I'm losing my grip

As I lay me down to sleep...

C
As I wake up in despair
G
You know I say a little prayer
Am F
Cause I need some help to save me from myself
C G Em Am
And I know I shouldn't think about you but I do
F
All the time

C G
My oh my
Am F
My oh my

F Em Am
Darling I need you
F Em Am
More than I want to
F Em Am F
So as I lay me down
G
Won't you save me

As I lay me down to sleep...

As I wake up in despair...
