

# Black Jesus

## Everlast

They call me white devil, Black Jesus,  
 Heaven closes, Hell freezes,  
 Egos trippin',  
 Scripts keep flippin'  
 Bloods keep bloodin',  
 Crypts keep crippin'  
 Time keeps slippin'  
 And I keep fallin'  
 I can't see but I hear them callin',  
 Ballers ballin'  
 Players playin',  
 Haters fightin',  
 Righteous prayin'  
 Dawn breaking,  
 Manhattan keeps making,  
 Brooklyn keeps takin'  
 Shook ones keep shakin',  
 No time for fakin'  
 Know what I mean ain't choppin' no pies,  
 Just risin' like cream  
 If you're digging the scene,  
 If you feelin' the vibes,  
 Throw your hands in the air,  
 Scream out you're alive,  
 Singin' na na nana na na  
 Singin' na na nana na na

They call me Black Jesus, White Moses,  
 Heaven freezes, hell closes  
 B.Boy poses and punk rock chicks,  
 The kids are all right but I need my fix  
 If you're diggin' the mix,  
 If you're feelin' the drugs  
 If you're keepin' it real  
 If you're livin' like thugs,  
 I spit kisses and hugs like .45 slugs  
 Come back on the one and kiss my love gun  
 Gotta look that will kill,  
 A voice that will carry,  
 Half a dozen women I think I wanna marry,  
 Trouble on my mind, refusin' to lose  
 Still I've gotta find someone to abuse  
 So won't you run spread the news  
 Help say the word  
 And jump the fuck back and act like you heard

They call me white devil, Black Jesus, heaven closes  
 Hell freezes, Black Jesus, White Moses, heaven freezes  
 Hell closes, singin' na na nana na na  
 singin' na na nana na na  
 They call me white sinner,  
 Black martyr,  
 Live wire  
 Fire starter,  
 Jungle brother,  
 Red neck cracker,  
 Freak of nature  
 New world slacker,  
 Sex junkie lookin' for a dealer  
 You can play the leaper girl and I can play the healer  
 Shit is only getting realer baby haven't you heard that the  
 Bird, bird, bird, yes the bird is the word

They go one for the trouble,  
 Two for the time,  
 Three for my homies  
 And four for the dimes,  
 Singin' lemons to the lime  
 Till the break of dawn  
 Excuse me (every six minutes)  
 Everlast you're on,  
 And they go on and on  
 Like a rolling stone,  
 Baby anywhere I lay my hat is my home

They call me white devil, Black Jesus...
