

# Cold water

Justin Bieber

Hela låten

| Em G | Bm C |

Em G Bm C  
Everybody gets high sometimes, ya know  
Em G Bm C  
What else can we do when we're feeling low?  
Em G Bm C  
So take a deep breath and let it go  
Em G Bm C  
You shouldn't be drowning on your own

Em G Bm C  
And if you feel you're sinking, I will jump right over  
Em G Bm C  
Into cold, cold water for you  
Em G Bm C  
And although time may take us into different places  
Em G Bm C  
I will still be patient with you  
D  
And I hope you know

Em G Bm C  
I won't let go  
Em G Bm C  
I'll be your lifeline tonight  
Em G Bm C  
I won't let go  
Em G Bm C  
I'll be your lifeline tonight

Cause we all get lost sometimes, you know?  
It's how we learn and how we grow  
And I wanna lay with you 'til I'm old  
You shouldn't be fighting on your own

And if you feel you're sinking, I will jump right over...

I won't let go...

Em G  
Come on, come on  
Bm C  
Save me from my rocking boat  
Em G  
I just want to stay afloat  
Bm C  
I'm all alone  
Em G Bm C  
And I hope, I hope, someone come and take me home  
Em G  
Somewhere I can rest my soul  
Bm C  
I need to know

You won't let go...

Em G Bm C  
I won't let go  
Em G Bm C  
I won't let go
