

Don't stop believing

Journey

D A Bm G
 Just a small town girl, living in a lonely world
 D A F#m G
 She took the midnight train going anywhere

Just a city boy, born and raised in south Detroit
 He took the midnight train going anywhere

A singer in a smoky room, a smell of wine and cheap perfume
 For a smile they can share the night, it goes on and on and on
 and on

G D
 Strangers waiting up and down the boulevard
 G D
 Their shadows searching in the night
 G D
 Streetlight, people, living just to find emotion
 G D
 Hiding, somewhere in the night

Working hard to get my fill, everybody wants a thrill
 Paying anything to roll the dice, just one more time

Some will win, some will lose, some were born to sing the blues
 Oh, the movie never ends; it goes on and on and on and on

G D
 Strangers waiting up and down the boulevard
 G D
 Their shadows searching in the night
 G D
 Streetlight, people, living just to find emotion
 G D
 Hiding, somewhere in the night

D A Bm G
 Don't stop believing hold on to the feeling
 D A F#m
 Streetlight people

Don't stop believing hold on to the feeling
 Streetlight people

Don't stop believing hold on to the feeling
 Streetlight people
