Bm Am D
Everything feels brand new
Bm Am D
Whenever I'm here with you
G Am Bm
I don't wanna be nowhere else
G Am D
But I guess you can already tell
Bm Am D
It's feeling just like one love
Bm Am D
Is pulling up both of us
G Am Bm
No matter what seasons do
G Am D
I'm always gonna roll with you

Bm Am D
Cause we float like the river, oh
Bm Am D
Bring sweet to the bitter, oh
G Am Bm
If we fall then we get up, oh
G Am D
We don't even try

Cause through it all
Bm Am D
It's effortless
Bm Am D
So effortless
G Am Bm
It's effortless
G Am D
We don't even try, not at all

I'm gonna invest in us
I'm feeling like you're good luck
Like a, like a billion dollar trust
That's just about to open up
We're glowing like bright sunlight
Cause happiness just abides
As long as we keep this tide
It's gonna be an easy ride

Cause we float like the river...

No we don't work hard
Cause we don't gotta
Cause you and me don't get in that drama
No we don't work hard
Cause we don't gotta
Cause you and me don't get in that drama
No, no, no, no

Cause we float like the river...
