

Empty room

Sanna Nielsen

G
Sitting here alone with my memories
Bm
Staring at a picture of you and me
C
They say I look fine but if walls could talk
Am D
They'd tell you all about how much I break apart
G
I think we were right but we did it wrong
Bm
Ever since you left me I just can't go on
C
No, I can't even read the news today
Am D
'Cause everything reminds me of yesterday

G
Empty room
Em
Empty heart
C Am
Since you've been gone
D
I must move on
G
Empty room

I never realised it could make me cry
To hear the children laugh and play outside
A walk in the park, shouldn't be that bad
But everything about it seems to make me sad
I thought we were good, we were meant to be
The way it turned out is still a mystery
No, I can't even read the news today
Reminds me of yesterday

G
Empty room
Em
Empty heart
C Am
Since you've been gone
D
I must move on
G
Empty space
Em
Lonely days
C Am
My life goes on
D
Just like the moon

F
And to sail across the sky alone
Am
Forever trying to find it's home
F
I can't believe I have to say
D
I don't know where you are today

G
Empty room
Em
Empty heart
C Am
Since you've been gone
D
I must move on
G
Empty space
Em
Lonely days
C Am
My life goes on
D
Just like the moon
F G
Empty room
