

Everything I wanted

Billie Eilish

C **D**
I had a dream
Bm **C**
I got everything I wanted
C **D**
Not what you think
Bm **C**
And if I'm being honest
C **D**
It might have been a nightmare
Bm **C**
To anyone who might care
C **D**
Thought I could fly
Bm **C**
So I stepped off the Golden
C **D**
Nobody cried
Bm **C**
Nobody even noticed
C **D**
I saw them standing right there
Bm **C**
Kinda thought they might care

C **D**
I had a dream
Bm **C**
I got everything I wanted
C **D**
But when I wake up I see
Bm **C**
You're with me

And you say

C **D**
As long as I'm here
Bm **C**
No one can hurt you
C **D**
Don't wanna lie here
Bm **C**
But you can learn to
C **D**
If I could change
Bm **C**
The way that you see yourself
C **D**
You wouldn't wonder why you hear
Bm **Cm**
"They don't deserve you"

I tried to scream
But my head was under water
They called me weak
Like I'm not just somebody's daughter
Could've been a nightmare
But it felt like they were right there
And it feels like yesterday was a year ago
But I don't wanna let anybody know
Cause everybody wants something from me now
And I don't wanna let 'em down

I had a dream...

I had a dream...

D
As long as I'm here...

C **D**
If I knew it all then
Bm
Would I do it again
C
Would I do it again
C **D**
If they knew what they said
Bm
Would go straight to my head
C
What would they say instead

If I knew it all then...
