

# Half a heart

One Direction

C G/B  
So your friends been telling me  
Am  
You've been sleeping with my sweater  
F  
And that you can't stop missing me  
C G/B  
Bet my friends been telling you  
Am  
I'm not doing much better  
F  
Because I'm missing half of me

Am  
And being here without you  
G/B  
It's like I'm waking up to

C  
Only half a blue sky  
G/B  
Kinda there but not quite  
Am F  
I'm walking round with just one shoe

I'm a half a heart without you  
C  
I'm half the man, at best  
G/B  
With half an arrow in my chest  
Am F  
I miss everything we do

I'm a half a heart without you

Forget all we said that night  
No it doesn't even matter  
Cause we both got split in two  
If you could spare an hour or so  
We'll go for the lunch down by the river  
We could really talk it through

And being here without you  
It's like I'm waking up to

Only half a blue sky..

G/B Am  
Half a heart without you  
F  
I'm a half a heart without you

G/B Am F  
Though I try to get you out of my head  
C G/B  
The truth is I got lost without you  
Am F G/B  
And since then I've been waking up to

Only half a blue sky..

(fortsätt som ref)  
Without you, without you  
Half a heart without you  
Without you, without you  
I'm half a heart without you
