

# Halo

Beyonce

G Am  
Remember those walls I built  
Em  
Well baby they're tumbling down  
C  
And they didn't even put up a fight  
G  
They didn't even make a sound  
Am  
I found a way to let you in  
Em  
But I never really had a doubt  
C  
Standing in the light of your halo  
G  
I got my angel now

It's like I've been awakened  
Every rule I had you breakin'  
It's the risk that I'm takin'  
I ain't never gonna shut you out

Everywhere I'm looking now  
I'm surrounded by your embrace  
Baby I can see your halo  
You know you're my saving grace  
You're everything I need and more  
It's written all over your face  
Baby I can feel your halo  
Pray it won't fade away

I can feel your halo...

Hit me like a ray of sun  
Burning through my darkest night  
You're the only one that I want  
Think I'm addicted to your light  
I swore I'd never fall again  
But this don't even feel like falling  
Gravity can't forget  
To pull me to the ground again

Feels like I've been awakened  
Every rule I had you breakin'  
The risk that I'm takin'  
I'm never gonna shut you out

Everywhere I'm looking now...

I can feel your halo...

Everywhere I'm looking now...

I can feel your halo...
