

# Hope and glory

Måns Zelmerlöw

I tell you lover, oh lover  
It feels so strong  
It doesn't matter if life  
Wanna prove us wrong  
We're gonna make it through, mmm  
We're gonna make it through

I tell you I've been a soldier  
Since childhood days  
I've fought a battle for my  
Life in many ways  
I'm gonna fight for you, yeah  
I'm gonna fight for you

Don't stop!

I'm still standing for hope and glory  
I'll be fighting for my love story  
I'm still standing for hope and glory now  
All the battles I lost and the battles I won  
This'll be the one, this'll be the one, ohh  
I'm still standing for hope and glory love

It's gonna be the one

Now, listen lover, oh lover  
A heart can break  
You never know how much  
Trouble a heart can take  
I'm gonna be right there, yeah  
I'm gonna be right there

Don't stop!

I'm still standing for hope and glory...

It's gonna be the one  
It's gonna be the one

Don't stop!

I'm still standing for hope and glory...

It's gonna be the one!
