

How far I'll go

Alessa Cara

'Long as I can remember, never really knowing why **F#m D**
A I wish I could be the perfect daughter **E**
But I come back to the water, no matter how hard I try **F#m D**

Every path I make, every road leads back **E**
To the place I know, where I can not go **A**
Where I long to be **Dm**

Vers

A	E	F#m	D
F#m	E	A	Dm
Refrång			
A	E	F#m	D

A See the line where the sky meets the sea? It calls me **E**
And no one knows, how far it goes **F#m D**
If the wind in my sail on the sea stays behind me **A E**
One day I'll know, if I go there's just no telling how far I'll go **F#m Dm**

I know, everybody on this island seems so happy on this island
Everything is by design
I know, everybody on this island has a role on this island
So maybe I can roll with mine
I can lead with pride, I can make us strong
I'll be satisfied if I play along
But the voice inside sings a different song
What is wrong with me?

A See the light as it shines on the sea? It's blinding **E**
But no one knows, how deep it goes **F#m D**
And it seems like it's calling out to me, so come find me **A E**
And let me know, what's beyond that line, will I cross that line? **F#m D**

A See the line where the sky meets the sea? It calls me **E**
And no one knows, how far it goes **F#m D**
If the wind in my sail on the sea stays behind me **A E**
One day I'll know, how far I'll go **F#m Dm**
