

How far I'll go

Alessa Cara

^A I've been staring at the edge of the water ^E
^{F#m} 'Long as I can remember, never really knowing why ^D
^A I wish I could be the perfect daughter ^E
^{F#m} But I come back to the water, no matter how hard I try ^D
Every turn I take, every trail I track
^E Every path I make, every road leads back
^A To the place I know, where I can not go
^{Dm} Where I long to be

^A See the line where the sky meets the sea? It calls me ^E
^{F#m} And no one knows, how far it goes ^D
^A If the wind in my sail on the sea stays behind me ^E
^{F#m} One day I'll know, if I go there's just no telling how far I'll go ^{Dm}

I know, everybody on this island seems so happy on this island
Everything is by design
I know, everybody on this island has a role on this island
So maybe I can roll with mine
I can lead with pride, I can make us strong
I'll be satisfied if I play along
But the voice inside sings a different song
What is wrong with me?

^A See the light as it shines on the sea? It's blinding ^E
^{F#m} But no one knows, how deep it goes ^D
^A And it seems like it's calling out to me, so come find me ^E
^{F#m} And let me know, what's beyond that line, will I cross that line? ^D

^A See the line where the sky meets the sea? It calls me ^E
^{F#m} And no one knows, how far it goes ^D
^A If the wind in my sail on the sea stays behind me ^E
^{F#m} One day I'll know, how far I'll go ^{Dm}
