

# I hate you, I love you

Gnash

Em  
Feeling used but I'm  
D  
Still missing you and I can't

Bm  
See the end of this  
C  
Just wanna feel your kiss against my lips

Em  
And now all this time is passing by  
D  
But I still can't seem to tell you why  
Bm  
It hurts me every time I see you  
C  
Realize how much I need you

Em  
I hate you I love you  
D  
I hate that I love you  
Bm  
Don't want to, but I can't put  
C  
Nobody else above you  
Em  
I hate you I love you  
D  
I hate that I want you  
Bm  
You want her, you need her  
C  
And I'll never be her

When love and trust are gone  
I guess this is moving on  
Everyone I do right does me wrong  
So every lonely night, I sing this song

I hate you I love you...

Em D  
All alone I watch you watch her  
Bm C  
Like she's the only girl you've ever seen  
Em D  
You don't care u never did  
Bm C  
You don't give a damn about me  
Em D  
Yeah all alone I watch you watch her  
Bm C  
She's the only thing you've ever seen  
Em D  
How is it you never notice  
Bm C  
That you are slowly killing me

I hate you I love you...

I miss you when I can't sleep  
Or right after coffee  
Or right when I can't eat  
I miss you in my front seat  
Still got sand in my sweaters  
From nights we don't remember  
Do you miss me like I miss you?  
Fucked around and got attached to you  
Friends can break your heart too, and  
I'm always tired but never of you  
If I pulled a you on you, you wouldn't like that shit  
I put this reel out, but you wouldn't bite that shit  
I type a text but then I never mind that shit  
I got these feelings but you never mind that shit  
Oh oh, keep it on the low  
You're still in love with me but your friends don't know  
If you wanted me you would just say so  
And if I were you, I would never let me go  
I don't mean no harm  
I just miss you on my arms  
Wedding bells were just alarms  
Caution tape around my heart  
You ever wonder what we coulda been?  
You said you wouldn't and you fucking did  
Lie to me, lie with me, get your fucking fix  
Now all my drinks and all my feelings are all fucking mixed  
Always missing people that I shouldn't be missing  
Sometimes you gotta burn some bridges just to create some distance  
I know that I control my thoughts and I should stop reminiscing  
But I learned from my dad that it's good to have feelings
