

# I wanna know

Alesso

<sup>G</sup>  
I've been hit by stars  
<sup>D</sup>  
A beauty you are, a beauty you are  
<sup>G</sup>  
Day turns into night  
<sup>D</sup>  
You light up my dark, you light up my dark

<sup>G</sup>  
You're the one that I see waking up next to  
me

<sup>D</sup>  
And I hope it's the same for you

<sup>G</sup>  
But you play with my mind and you send me  
these signs

<sup>D</sup>  
And I see other guys get 'em too

<sup>G</sup>  
I wanna know, I wanna know

<sup>D</sup>  
Hey-yeah-yeah, hey-yeah-yeah

<sup>G</sup>  
Where do we go, where do we go

<sup>D</sup>  
From here-yeah-yeah, hey-yeah-yeah

<sup>G</sup>  
Why are you keeping me on hold? Don't wanna  
leave this place alone

<sup>D</sup>  
Is it a yes or is it no? (Ha-ooh)

<sup>G</sup>  
I wanna know, I wanna know

<sup>D</sup>  
Hey-yeah-yeah, hey-yeah-yeah

Diamonds in your eyes  
Cover your lies, cover your lies  
Trust me we can be  
Special tonight, special tonight

You're the one that I see waking up next to  
me...

I wanna know, I wanna know...

<sup>D</sup>  
Ooooohhh....

<sup>G</sup>  
Trust me we can be

<sup>D</sup>  
Special tonight, special tonight

I wanna know, I wanna know...
