Keep bleeding

Leona Lewis

|G |Em |C |D

Closed off from love I didn't need the pain
Em
Once or twice was enough And it was all in vain
C
Time starts to pass Before you know it you're frozen

But something happened For the very first time with you My heart melts into the ground Found something true And everyone's looking round Thinking I'm going crazy

But I don't care what they say I'm in love with you They try to pull me away But they don't know the truth My heart's crippled by the vein That I keep on closing You cut me open and I

G
Keep bleeding Keep, keep bleeding love
Em
I keep bleeding I keep, keep bleeding love
C
Keep bleeding Keep, keep bleeding love
D
You cut me open

Trying hard not to hear But they talk so loud Their piercing sounds fill my ears Try to fill me with doubt Yet I know that the goal Is to keep me from falling

But nothing's greater Than the rush that comes with your embrace And in this world of loneliness I see your face
Yet everyone around me
Thinks that I'm going crazy, maybe, maybe

But I don't care what they sayI'm in love with you They try to pull me away But they don't know the truth My heart's crippled by the vein That I keep on closing You cut me open and I

Keep bleeding Keep, keep bleeding love ...

G
And it's draining all of me
Em
Oh they find it hard to believe
C
I'll be wearing these scars
D
For everyone to see

I don't care what they say I'm in love with you They try to pull me away But they don't know the truth My heart's crippled by the vein That I keep on closing You cut me open and I

Keep bleeding Keep, keep bleeding love ...

Keep bleeding Keep, keep bleeding love...
