

Let her go

Passenger

Well you only need the light when it s burning low
 Only miss the sun when it s starts to snow
 Only know your love her when you let her go
 Only know you ve been high when you re feeling low
 Only hate the road when you re missin home
 Only know your love her when you ve let her go
 And you let her go

Staring at the bottom of your glass
 Hoping one day you will make a dream last
 The dreams come slow and goes so fast
 You see her when you close your eyes
 Maybe one day you will understand why
 Everything you touch surely dies

Well you only need the light when it s burning low...

Staring at the ceiling in the dark
 Same old empty feeling in your heart
 Love comes slow and it goes so fast
 Well you see her when you fall asleep
 But to never to touch and never to keep
 Because you loved her to much
 And you dive too deep

Well you only need the light when it s burning low...
