

# Let her go

Passenger

## Ackorden

Well you only need the light when it s burning low  
Only miss the sun when it s starts to snow  
Only know your love her when you let her go  
Only know you ve been high when you re feeling low  
Only hate the road when you re missin home  
Only know your love her when you ve let her go  
And you let her go

Staring at the bottom of your glass  
Hoping one day you will make a dream last  
The dreams come slow and goes so fast  
You see her when you close your eyes  
Maybe one day you will understand why  
Everything you touch surely dies

Well you only need the light when it s burning low..

Staring at the ceiling in the dark  
Same old empty feeling in your heart  
Love comes slow and it goes so fast  
Well you see her when you fall asleep  
But to never to touch and never to keep  
Because you loved her to much  
And you dive too deep

Well you only need the light when it s burning low..
