

Let it go

James Bay

D From walkin' home and talkin' loads
D Seein' shows in evenin' clothes with you
D From nervous touch and gettin' drunk
D To stayin' up and wakin' up with you

And now we're slippin' at the edge
A Holdin' somethin' we don't need
Oh, this delusion in our heads
A Is gonna bring us to our knees

So come on let it go
Just let it be
Why don't you be you
And I'll be me
Everything's that's broke
Leave it to the breeze
Why don't you be you
And I'll be me
And I'll be me

From throwin' clothes across the floo
To teeth and clothes and slammin' doors at you
If this is all we're livin' for
Why are we doin' it, doin' it, doin' it anymore
I used to recognize myself
It's funny how reflections change
And we're becomin' somethin' else
I think it's time to walk away

So come on let it go...

Em Tryin' to fit your hand inside of mine
When we know it just don't belong
A There's no force on earth
G Could make me feel right, no
Em Tryin' to push this problem up the hill
When it's just too heavy to hold
A Think now's the time to let it slide

So come on let it go...

So come on let it go...
