

Let it go - Frozen

Demi Lovato

^{Em} The snow blows white on the ^C mountain tonight
^G Not a footprint to be seen ^D
^{Em} A kingdom of isolation and it ^C looks like I'm the ^G Queen ^D
^{Em} The wind is howling like the ^C swirling storm inside ^D
^{Em} Couldn't keep it in, heaven ^C knows I tried ^D

^D Don't let them in, don't let them see ^C

Be the good girl

You always had to be

^D Conceal, don't feel

Don't let them know ^C

Well, now they know ^C

^G Let it go

^D Let it go

^{Em} Can't hold you back anymore ^C

^G Let it go

^D Let it go

^{Em} Turn my back and slam the door ^C

^G And here I stand, and here I'll stay ^D ^{Em} ^C

^G Let it go

^D Let it go

^C The cold never bothered me anyway

It's funny how some distance
Makes everything seem small
And the fears that once controlled me
Can't get to me at all
Up here in the cold thin air
I finally can breathe
I know left a life behind but I'm too relieved to grieve

Let it go...

^G Standing frozen in the ^D life I've ^{Em} chosen ^C
^G You won't find me, the ^D past is so ^{Em} behind me ^C
^G Buried in the ^D snow ^{Em} ^C

Let it go
