

Let it go

James Bay

D From walkin' home and talkin' loads G Bm A Em Tryin' to fit your hand inside of mine Bm
D Seein' shows in evenin' clothes with you Bm A When we know it just don't belong
D From nervous touch and gettin' drunk G Bm A A There's no force on earth
D To stayin' up and wakin' up with you G Bm A G Could make me feel right, no
And now we're slippin' at the edge Bm Em Tryin' to push this problem up the hill Bm
A Holdin' somethin' we don't need G When it's just too heavy to hold
Bm Oh, this delusion in our heads A Think now's the time to let it slide G
A Is gonna bring us to our knees
So come on let it go G D
Just let it be Bm A
Why don't you be you G D
And I'll be me A
Everything's that's broke G D
Leave it to the breeze Bm A
Why don't you be you G D
And I'll be me A
And I'll be me

From throwin' clothes across the floo
To teeth and clothes and slammin' doors at you
If this is all we're livin' for
Why are we doin' it, doin' it, doin' it anymore
I used to recognize myself
It's funny how reflections change
And we're becomin' somethin' else
I think it's time to walk away

So come on let it go...
