Locked away

Adam Levine

```
C                      Am
If I got locked away
                          F
And we lost it all today
                  C              G         C
Tell me honestly, would you still love me the same?
                   Am
If I showed you my flaws
                 F
If I couldn't be strong
                  C              G         ( C )
Tell me honestly, would you still love me the same?

Am                                 F
If a judge for life me would you stay by my side?
                      C
Or is you gonna say goodbye?
              G
Can you tell me right now?
Am                        F
If I couldn't buy you the fancy things in life
                 C
Shawty, would it be alright?
           G
Come and show me that you are down

C                                          Am
Now tell me would you really ride for me?
                               F
Baby tell me would you die for me?
                                C
Would you spend your whole life with me?
                G                     C
Would you be there to always hold me down?
                               Am
Tell me would you really cry for me?
                  F
Baby don't lie to me
                      C
If I didn't have anything
            G                      C
I wanna know would you stick around?

If I got locked away…

Let's get it diddly-down-down-down
All I want is somebody real who don't need much
A gal I know that I can trust
To be here when money low
If I did not have nothing else to give but love
Would that even be enough?
Gal meh need fi know

Now tell me would you really ride for me?
Baby tell me would you die for me?
Would you spend your whole life with me?
Would you be there to always hold me down?
Tell me would you really cry for me?
Baby don't lie to me
If I didn't have anything
I wanna know would you stick around?

If I got locked away…
```

```
Tell me, tell me, would you want me? (Want me!)
Tell me, tell me, would you call me? (Call me!)
If you knew I wasn't ballin'
Cause I need a gal who's always by my side
Tell me, tell me, do you need me? (Need me)
Tell me, tell me, do you love me yeah?
Or is you just tryna play me?
Cause I need a girl to hold me down for life

If I got locked away…

If I got locked away…

C                     G
Would you still love me the same?
```
