Em G
You've got a hold of me
Bm A
Don't even know your power
Em G
I stand a hundred feet
Bm A
But I fall when I'm around you

Em G
Show me an open door
Bm A
Then you go and slam it on me
Em G
I can't take anymore
Bm A
I'm saying baby

Em G
Please have mercy on me
Bm A
Take it easy on my heart
Em G
Even though you don't mean to hurt me
Bm A
You keep tearing me apart
Em G Bm A
Would you please have mercy, mercy on my heart
Em G Bm A
Would you please have mercy, mercy on my heart

I'd drive through the night
Just to be near you baby
Heart old and testified
Tell me that I'm not crazy

I'm not asking for a lot
Just that you're honest with me
My pride is all I got
I'm saying baby

Please have mercy on me...

G Bm7
Consuming all the air inside my lungs
D A
Ripping all the skin from off my bones
G Bm7
I'm prepared to sacrifice my life
D A
I would gladly do it twice
G Bm7
Consuming all the air inside my lungs
D A
Ripping all the skin from off my bones
G Bm7
I'm prepared to sacrifice my life
D A
I would gladly do it twice

Please have mercy on me...
