

Moves like Jagger

Maroon 5

Bm

Just shoot for the stars

If it feels right

Then aim for my heart

If you feel like

Em

Can take me away, and make it okay

I swear I'll behave

Bm

You want to control

Sure we waited

I put on a show

Now I make it

Em

You say I'm a kid

My ego is big

I don't give a sh*t

And it goes like this

Bm

Take me by the tongue

And I'll know you

Kiss til you're drunk

And I'll show you

Em

You want the moves like jagger

I got the moves like jagger

I got the mooooooves...like jagger

Bm

I don't even try to control you

Look into my eyes and I'll own you

Em

You with the moves like jagger

I got the moves like jagger

I got the mooooooves...like jagger

Baby it's hard

And it feel like you're broken in scar

Nothing feels right

But when you're with me

I make you believe

That I've got the key

So get in the car

We can ride it

Wherever you want

Get inside it

And you want to stir

But I'm shifting gears

I'll take it from here

And it goes like this

Take me by the tongue...

You want to know how to make me smile

Take control, own me just for the night

But if I share my secret

You gonna have to keep it

Nobody else can see this

So watch and learn

I won't show you twice

Head to toe, ooh baby, roll me right

But if I share my secret

You gonna have to keep it

Nobody else can see this

And it goes like this

Take me by the tongue...
