

# Northern downpour

## Panic! At the disco

**G** **C**  
If all our life is but a dream

**G**  
Fantastic posing greed

**C**  
Then we should feed our jewelery to the sea

**C** **Em** **G**  
For diamonds do appear to be

**G** **Em** **C**  
Just like broken glass to me

**G** **C**  
And then she said she can't believe

**G**  
Genius only comes along

**C**  
In storms of fabled foreign tongues

**C** **Em** **G**  
Tripping eyes, and flooded lungs

**G** **Em** **C**  
Northern downpour sends its love

**Bm** **D** **Em**  
Hey moon, please forget to fall down

**Bm** **D** **G**  
Hey moon, don't you go down

**G** **C**  
Sugarcane in the easy mornin'

**Em** **C**  
Weathervanes my one and lonely

The ink is running toward the page

It's chasin' off the days

Look back at both feet

And that winding knee

I missed your skin when you were east

You clicked your heels and wished for me

Through playful lips made of yarn

That fragile Capricorn

Unraveled words like moths upon old scarves

I know the world's a broken bone

But melt your headaches, call it home

Hey moon, please forget to fall down

Hey moon, don't you go down

Sugarcane in the easy mornin'

Weathervanes my one and lonely

Hey moon, please forget to fall down

Hey moon, don't you go down

Sugarcane in the easy mornin'

Weathervanes my one and lonely

Vers, mellanspel
