

Nothing else matters

Metallica

Em D C
So close no matter how far
Em D C
Couldn't be much more from the heart
Em D C
Forever trusting who we are
G Am Em
And nothing else matters

Never opened myself this way
Life is ours, we live it our way
All these words I don't just say
And nothing else matters

Trust and seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else matters

C Am
D C Am
Never cared for what they do
D C Am
Never cared for what they know
D Em7
But I know

So close no matter how far...

Never cared for what they do...

Never opened myself this way...

Trust I seek and I find in you...

Never cared for what they say
Never cared for games they play
Never cared for what they do
Never cared for what they know
And I know

So close no matter how far...
