

# Nothing else matters

## Metallica

Em D C  
So close no matter how far  
Em D C  
Couldn't be much more from the heart  
Em D C  
Forever trusting who we are  
G Am Em  
And nothing else matters

Never opened myself this way  
Life is ours, we live it our way  
All these words I don't just say  
And nothing else matters

Trust and seek and I find in you  
Every day for us something new  
Open mind for a different view  
And nothing else matters

C Am  
D C Am  
Never cared for what they do  
D C Am  
Never cared for what they know  
D Em7  
But I know

So close no matter how far...

Never cared for what they do...

Never opened myself this way...

Trust I seek and I find in you...

Never cared for what they say  
Never cared for games they play  
Never cared for what they do  
Never cared for what they know  
And I know

So close no matter how far...
