

# Uncover

Zara Larsson

G  
I used to bite my tongue and hold my breath  
                    Am        Em  
Scared to rock the boat and make a mess  
Em                    C  
So I sit quietly, agree politely  
G  
I guess that I forgot I had a choice  
                    Am  
I let you push me past the breaking point  
Em                    C  
I stood for nothing, so I fell for everything

You held me down, but I got up  
Already brushing off the dust  
You hear my voice, you hear that sound  
Like thunder, gonna shake the ground  
You held me down, but I got up  
Get ready cause I've had enough  
I see it all, I see it now

G  
I got the eye of the tiger, the fighter,  
                    Am  
Dancing through the fire  
Em                                    C        G  
Cause I am a champion and you're gonna hear me roar  
                    Am  
Louder, louder than a lion  
Em                                    C        G  
Cause I am a champion and you're gonna hear me roar  
G                    Am        Em  
Oh oh oh..., Oh oh oh..., Oh oh oh...  
C  
You're gonna hear me roar

Now I'm floatin' like a butterfly  
Stingin' like a bee I earned my stripes  
I went from zero, to my own hero

You held me down, but I got up  
Already brushing off the dust  
You hear my voice, you hear that sound  
Like thunder, gonna shake the ground  
You held me down, but I got up  
Get ready cause I've had enough  
I see it all, I see it now

I got the eye of the tiger...

I got the eye of the tiger...
