

Safe and sound

Taylor swift

Am Em C G x2

Am Em
I remember tears streaming down your face
C G
When I said, I'll never let you go
Am Em C G
When all those shadows almost killed your light
Am Em C G
I remember you said, Don't leave me here alone
Am Em C
But all that's dead and gone and passed tonight

C G
Just close your eyes
D C
The sun is going down
G
You'll be alright
D C
No one can hurt you now
G
Come morning light
D Am
You and I'll be safe and
C
sound

Don't you dare look out your window
Darling, everything's on fire
The war outside our door keeps raging on
Hold on to this lullaby
Even when the music's gone
Gone

Just close your eyes...

C D
Ooh...ooh...
Em D
Ah la....ah la....
C D
Ooh...ooh...
Em D
Ah la....ah la....

Just close your eyes...
