G  
I don't know there's just something about ya  
D  
Got me feeling like I can't be without ya  
Bm  
Anytime someone mention your name  
A  
I be feeling as if I'm around ya  
G  
Ain't no words to describe you baby  
D  
All I know is that you take me high  
Bm  
Can you tell that you drive me crazy?  
A  
Cause I can't get you out my mind

G  
Think of you when I'm going to bed  
D  
When I wake up I think of you again  
Bm  
You are my homie, lover and friend  
A  
Exactly why

G  
You light me up inside  
D  
Like the 4th of July  
Bm  
Whenever your around  
A  
I always seem to smile  
G  
And people ask me how  
D  
Well you're the reason why  
Bm A G  
I'm dancing in the mirror and singing in the shower  
D Bm A  
La La Di, La la Da, La la da  
G  
Singing in the shower  
D Bm A  
La la Di, La la da, la la da  
G  
Singing in the shower

All I want, all i need is you loving  
Baby you make me hot like an oven  
Since you came you know what I discovered  
Baby I don't need me another  
No, no all I know (know)  
Only you got me feeling so (so)  
And you know that I got to have you  
And I don't plan to let you go

Think of you when I'm going to bed..

You light me up inside..

There ain't no guarantee  
But I'll take a chance on we  
Baby let's take our time  
(Singing in the shower)  
And when the times get rough

There ain't no giving up  
Cause it just feels so right  
(Singing in the shower)  
Don't care what others say  
If I've got you I'm straight  
You bring my heart to life (yeah)

You light me up inside..
