

# Stay

Miley Cyrus

Well its good to hear your voice

I hope youre doing fine

And if you ever wonder

Im lonely here tonight

Lost here in this moment

Time keeps slipping by

If I could have just one wish

Id have you by my side

Oooohh I miss you

Oooohh I need you

And I love you more than I did before

And if today I dont see your face

Nothings changed, no one can take your place

It gets harder everyday

Say you love me more than you did before

And Im sorry its this way

But Im coming home, Ill be coming home

And if you ask me I will stay, I will stay

Well I tried to live without you

But tears fall from my eyes

Im alone and I feel empty

God, Im torn apart inside

I look up at the stars

Hoping youre doing the same

And somehow I feel closer

And I can hear you say

Oooohh I miss you

Oooohh I need you

And I love you more than I did before...

And if you ask me I will stay, I will stay, always stay

I never wanna lose you

And if I had to I would choose you

So stay, please always stay

Youre the one that I hold on to

My heart would stop without you

I love you more than I did before...

And I love you more than I did before...
