

The Call

Regina Spektor

^G It started out as a ^D feeling
^{Em} Which then grew into a ^C hope
^G Which then turned into a quiet ^D thought
^{Em} Which then turned into a quiet ^C word
^D And then that word grew ^{D7} louder and louder
^G 'Til it was a ^{Em} battle cry

^C I'll come back
^D When you call ^{Em} me
^G No need to say ^D goodbye

Just because everything's changing
Doesn't mean it's never been this way before
All you can do is try to know who your friends
are
As you head off to the war
Pick a star on the dark horizon
And follow the light

^C You'll come back
^D When it's ^{Em} over
^G No need to say ^D goodbye ^{Em}
^C You'll come back
^D When it's ^{Em} over
^G No need to say ^D goodbye ^G

Now we're back to the beginning
It's just a feeling and no one knows yet
But just because they can't feel it too
Doesn't mean that you have to forget
Let your memories grow stronger and stronger
'Til they're before your eyes

^C You'll come back
^D When they call ^{Em} you
^G No need to say ^D goodbye ^{Em}
^C You'll come back
^D When they call ^{Em} you
^G No need to say ^D goodbye ^G
