

# There's nothing holding me back

Shawn Mendes

G D Bm D  
I wanna follow where she goes  
A D A D  
I think about her and she knows it  
G D Bm D  
I wanna let it take control  
A D A D  
'Cause everytime that she gets closer

G D Bm D A D  
She pulls me in enough to keep me guessing  
G D Bm D A D  
And maybe I should stop and start confessing  
A  
Confessing

G D  
Oh, I've been shaking  
Bm D  
I love you when you go crazy  
A D  
You take all my inhibitions  
A D G  
Baby, there's nothing holding me back  
D Bm D  
You take me places that tear up my reputation  
A D  
Manipulate my decisions  
A D G D Bm D A D  
Baby, there's nothing holding me back  
A D G D Bm D A D  
There's nothing holding me back  
  
There's nothing holding me back

She says that she is never afraid  
Just picture everybody naked  
She really doesn't like to wait  
Not really into hesitation

She pulls me in enough...

Oh, I've been shaking...

G D Bm  
'Cause if we lost our minds and we took it way too far  
D A D A D  
I know we'd be alright, I know we would be alright  
G D Bm  
'Cause if you are by my side and we stumbled in the dark  
D A D A D  
I know we'd be alright, I know we'd be alright  
G D Bm  
'Cause if we lost our minds and we took it way too far  
D A D A  
I know we'd be alright, I know we'd be alright  
G D Bm  
'Cause if you are by my side and we stumbled in the dark  
D A D A D  
I know we'd be alright, I know we'd be alright

Oh, I've been shaking...
