We don't talk anymore...

I just hope you're lying next to somebody  
Who knows how to love you like me  
There must be a good reason that you're gone  
Every now and then I think you  
Might want me to come show up at your door  
But I'm just too afraid that I'll be wrong

Don't wanna know  
If you're looking into her eyes  
If she's holding onto you so tight the way I did be  
fore  
I overdosed  
Should've known your love was a game  
Now I can't get you out of my brain  
Oh, it's such a shame  
We don't talk anymore...
