

When we were young

Adele

Am Em F C
Everybody loves the things you do
From the way you talk to the way you move

Am Em F C
Everybody here is watching you
Cause you feel like home, you're like a dream come true

Am Em F C
But if by chance you're here alone
Can I have a moment before I go

Am Em F C
Cause I've been by myself all night long
Hoping you're someone I used to know

F G
You look like a movie
Em F
You sound like a song
F G
My god this reminds me
Em G
Of when we were young

C Em F G
Let me photograph you in this light, in case it is the last time
That we might be exactly like we were before we realized
Am C F
We were sad of getting old, it made us restless
Dm F G
It was just like a movie, it was just like a song

I was so scared to face my fears
Cause nobody told me that you'd be here
And I swore you moved overseas
That's what you said when you left me

You still look like a movie
You still sound like a song
My god this reminds me
Of when we were young

Let me photograph you in this light...

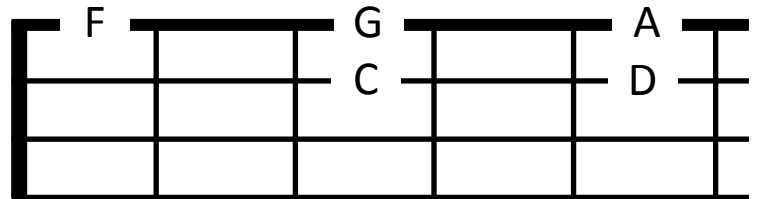

Am C
When we were young
F C
When we were young
Am C
When we were young
F G
When we were young

Am C
It's hard to win me back,
F C
everything just takes me back
Dm C
To when you were there
G G
To when you were there
Am C
And a part of me keeps holding on
F C
just in case it hasn't gone
Dm
I guess I still care
G
Do you still care?

It was just like a movie
It was just like a song
My god this reminds me
Of when we were young

C Em
When we were young
F G
When we were young
C Em
When we were young
F G
When we were young

Let me photograph you in this light...
