

# Wrecking ball

Miley Cyrus

Bm D  
We clawed, we chained, our hearts in vain

A G  
We jumped, never asking why

Bm D  
We kissed, I fell under your spell

A G  
A love no one could deny

Dont you ever say I just walked away  
I will always want you  
I cant live a lie, running for my life  
I will always want you

D A  
I came in like a wrecking ball  
Bm G  
I never hit so hard in love

D A  
All I wanted was to break your walls  
Bm G  
All you ever did was break me  
Bm G  
Yeah, you wreck me

I put you high up in the sky  
And now, youre not coming down  
It slowly turned, you let me burn  
And now, we're ashes on the ground

Dont you ever say I just walked away  
I will always want you  
I cant live a lie, running for my life  
I will always want you

I came in like a wrecking ball...

Bm  
I never meant to start a war  
D  
I just wanted you to let me in  
A  
And instead of using force

G  
I guess I should've let you in  
Bm  
I never meant to start a war

D  
I just wanted you to let me in  
A  
I guess I should've let you in

Bm D  
Dont you ever say I just walked away  
A G  
I will always want you

I came in like a wrecking ball...
